Caring for All

From our indigenous interpreting program to 24-hour acute mental health care services, Natividad cares for everyone, regardless of immigration, income or insurance status.

Trauma Center

As the area's only Level II Trauma Center, Natividad provides a vital local community service that treats the most severe and critical injuries — saving lives and keeping patients close to home.

Teaching Hospital

Our extensive education programs train health professionals and students across a variety of disciplines every year. Our UCSF-affiliated Family Medicine Residency program prepares graduates to meet the needs of underserved communities.

Advanced Perinatal Care

Every year, about 2,400 babies take their first breath at Natividad, while advanced Level III NICU care is available to babies born at Natividad and other hospitals.

Primary & Specialty Care

Natividad's expert providers are here to listen, help and inspire all Monterey County residents to live longer, healthier lives.

Top-Rated Acute Rehab

Natividad's Sam Karas Acute Rehabilitation Center helps patients recovering from illness or injury reach their goals and have the skills they need to get home and get back to living life to its fullest.
